Terms of Reference

2020/2021

The role of the members

The members of the trust are guardians of the governance of the trust and as such have a different status to trustees. Originally, they will have been the signatories to the memorandum of association and will have agreed the trust's first articles of association (the legal document which outlines the governance structure and how the trust will operate). The articles of association will also describe how members are recruited and replaced, and how many of the trustees the members can appoint to the trust board. The members appoint trustees to ensure that the trust's charitable object is carried out and so must be able to remove trustees if they fail to fulfil this responsibility. Accordingly, the trust board submits an annual report on the performance of the trust to the members. Members are also responsible for approving any amendments made to the trust's articles of association.
