<b>Sports Premium in our School 2020-2021</b>			
<p>The Government has given every primary school funding to develop physical education and competitive sport. This funding is intended for the purposes of establishing and developing sports activities which are sustainable in the long term. Following from the Covid-19 pandemic Government allowed the use of unspent funds from Sport Premium during the academic year 2019-2020 to be carried forward within 2020-2021. Elmlea have £5,276.50 unspent from the Sport Premium funding during 2019-2020 due to a significant reduction in the amount of inter competitions competed within in which had an impact on the amount of funds allocated for supply to cover teachers to attend competitions as well as prep sessions for these events. Specific SEND and G&amp;T sessions were also reduced due to school closures.</p> <p>The school will receive £19,500 of Sports Premium funding for 2020-2021, in our school we are using this funding to provide:</p>			
Provision	Cost	Impact	Sustainability
<i>Unspent funds from Sport Premium 2019-2020</i>			
Increase activity levels through participating in multi-skills zone playground games including markings, training for staff and child sports leaders.	£3598.80	Promote active lunch and break times without the need for an adult to lead; training provided for children to lead others. Training also provided for teachers in order to use as active blasts during curriculum time. Used as inter school competition for every child to participate within. Improve fundamental movement skills of children which will assist skill execution in other sports.	Playground markings to be used again and again as children progress through school and for new children joining Elmlea. Sports leaders to train new sports leaders each year to continue the role.
Provide specialist yoga and pilates coaching to a select group of children who need to develop their physical statue and assist mental wellbeing.	£1677.70	Both disciplines combine, breathing, physical movements and meditation. Children will see the differences between a strong and healthy body as to one which is sedentary. The breathing and meditation help to focus their minds. Children can learn how to calm stressful thoughts and think positively about themselves.	Specialist coach to continue working with a smaller group of children if proven effective. Creation of a before or after school club if successful.
<b>Total</b>	5276.50		
<i>Sport premium 2020-2021</i>			
To ensure all children have the opportunity to participate in at least 30minutes of physical activity through organised activities at lunchtime. Provide 2 specialist sports coaches to lead sporting activities for children to take part in. NB increase from last year due to two	£10265	All children each week are accessing the lunchtime sport programme that include: <ul style="list-style-type: none"> <li>• Football</li> <li>• Netball</li> <li>• Handball</li> <li>• Dodgeball</li> <li>• Basketball</li> <li>• Cricket</li> <li>• Golf</li> <li>• Touch Rugby</li> </ul>	As different groups of children become integrated in taking part in physical activity at lunchtime, coaches focus on specific needs of the children to increase activity levels. This year the focus will be to encourage more girls to

lunch breaks in line with Covid-19 restrictions.		<ul style="list-style-type: none"> <li>Table Tennis</li> </ul>	participate in coach lead activities.
Ensure SEND children have the opportunity to participate in physical activity that is suited to their needs.	£500	Specialist coaching for a range of activities which are considerably different to anything the children have participated before. Designed to be easily accessible for a wide range of abilities will allow children to experience success within a physical activity. This in turn providing motivation to continue to be physically active within these areas.	PE lead to shadow the specialist coach in order to continue delivery of activities within the curriculum.
Provide staff with training and resources to effectively deliver cross curricular orienteering.	£1395	Orienteering as a key activity within the OAA PE curriculum but also as a method of ensuring children are active during the school day within other areas of the curriculum. This also allows teachers to teach/consolidate learning outside the classroom.	All staff trained to allow continued use of resources. PE lead to disseminate information to new staff. Resources to be re-used each year.
All children to have the opportunity to experience competing for the school within a sporting competition to include pre-competition training and coaching.	£2240	A range of children continue to represent Elmlea in competitive sport within a variety of competitions. Every child leaving Elmlea in Y6 will have represented the school in sport in some way during their time at Elmlea.	Focus for specialist coach to be on helping children to work together as a team within competitive sport. For specific SEND children how to encourage and communicate effectively with others.
Broaden experiences of a range of activities offered to children through providing good quality and adapted equipment suited to the needs of all children.	£1500	Purchase of new equipment to continue to implement new schemes of learning. Replace damaged equipment ready for safe use.	Set aside specific equipment for use at lunchtimes and breaktimes in order to ensure curriculum PE equipment lasts longer.
Cover staff involved in sports clubs to allow their release to attend fixtures, sports coaches used to cover PE lessons where appropriate to maintain high quality PE for children who are not involved in competitions at the time.	£1500	Competitions include friendlies against local primary schools, regional finals and competitive meets against local private schools.	Maintain the amount of competitions entered in order to give a range of children the opportunity to access competitive sport.  Organise friendlies after school to reduce cost of cover.
Inspire children to continue their sports participation through watching professional sports competitions.	£1000	Broaden the experiences of sport for children at a professional level will inspire them to continue their own participation within their chosen sports once they have left Elmlea. Use of sport premium to reduce cost to events.  Visits include (depending on current Covid 19 guidelines);  Super league netball	Parental contribution towards the cost of transport/tickets of regular sporting events.

		British basketball league University hockey County Cricket	
Increase the confidence, knowledge and skills of staff teaching PE and Sport.	£500	Staff to be enthused and confident to teach PE lessons which will benefit children in their experiences of PE. Develop staff who lead after school sport to a higher level to further progress children taking part.  Through a whole school staff CPD audit determine which staff would benefit from in house CPD or NGB coaching courses.	Sport CPD to be carried out through team teaching and specific training linked to outcomes of PE staff audit.
Development and implementation of 'active passports' within the curriculum across the whole school.	£600	Children to record the amount of activity they have completed within the school day. Sport premium to be used to provide resources and prizes for children to motivate them to be physically active every day.	Re-use of resources across the school. As increased physical activity becomes embedded in the children's daily routine, alter the prizes to promote internal motivation to maintain their active minutes.
