

Dear Parents and Carers,

Our topic for the first two terms is '**The Tudors**'. Please see <https://www.booksfortopics.com/tudors> for fiction and non-fiction book suggestions to enrich your child's learning. More detailed information about what will be covered in all subject areas will be available on the **Curriculum Information** section of the school website from September.

We are planning on visiting the Matthew as part of this topic. Here are some suggestions for other **local places** you may be able to visit as a family:
